

You're Invited

When:

January 31, 2008
9:00 a.m. - 3:00 p.m.

Where:

Mayflower Hotel, Washington DC

This session will cover:

Government Security

Going on the Offense: Next Generation Security to Fight New Threats

Please join Cisco, CACI and Force 3 for a security solutions seminar that will provide answers to real business problems. Come hear keynote speaker Mr. Ed Meagher, Deputy CIO for the Department of Interior, speak about security concerns for his agency and for the Federal government. You will hear from two of Cisco's top security partners, CACI and Force 3, present case studies of security solutions that they have implemented within Federal Government.

Agenda:
